22. During Plaintiff JORGE PRADO'S employment by Defendants at NORTHEASTERN SERVICE INTERIORS LLC, Plaintiff's primary duties were as a demolition truck driver solely in New York State, and performing other miscellaneous duties from in or around August 13, 2009 until in or around September 30, 2014.
23. Plaintiff JORGE PRADO was paid by Defendants approximately \$420.00 per week, which equates to approximately \$10.50 per hour from in or about August 13, 2009 until in or around September 30, 2014.

COLLECTIVE ACTION ALLEGATIONS

28. Plaintiff brings this action on behalf of himself and other employees similarly situated as authorized under the FLSA, 29 U.S.C. § 216(b). The employees similarly situated are:
29. Collective Class: All persons who are or have been employed by the Defendants as truck drivers, demolition workers, laborers, cleaners, or other similarly titled personnel with substantially similar job requirements and pay provisions, who were performing the same sort of functions for Defendants, other than the executive and management positions, who have been subject to Defendants' common practices, policies, programs, procedures, protocols and plans including willfully failing and refusing to pay required minimum wages, overtime wages, and spread of hours compensation.
30. Upon information and belief, Defendants employed between 40 and 50 employees within the past three years subjected to similar payment structures.
31. Upon information and belief, Defendants suffered and permitted Plaintiff and the Collective Class to work more than forty hours per week without appropriate overtime compensation.
32. Defendants' unlawful conduct has been widespread, repeated, and consistent.
33. Upon information and belief, Defendant had knowledge that Plaintiff and the Collective Class performed work requiring overtime pay.

34. Defendants' conduct as set forth in this Complaint, was willful and in bad faith, and has caused significant damages to Plaintiff and the Collective Class.
35. Defendants are liable under the FLSA for failing to properly compensate Plaintiff and the Collective Class, and as such, notice should be sent to the Collective Class. There are numerous similarly situated current and former employees of Defendants who have been denied overtime pay in violation of the FLSA and NYLL, who would benefit from the issuance of a Court-supervised notice of the present lawsuit, and the opportunity to join the present lawsuit. Those similarly situated employees are known to Defendants and are readily identifiable through Defendants' records.
36. The questions of law and fact common to the putative class predominate over any questions affecting only individual members.
37. The claims of Plaintiff are typical of the claims of the putative class.
38. Plaintiff and his counsel will fairly and adequately protect the interests of the putative class.
